

District 8 Meeting

District 8 Issues of Concern to the City Administration (major priorities)

- Financial
 - Property Values - Capture commercial values to reduce upward pressures on residential values
- Economic Development
 - Admirals Commons - Identify and build-upon any common ground that may exist
 - Mystic Mall - Secure redevelopment plan that leads to revitalization
- Neighborhood Enhancement
 - Odors - Undertake odor recovery installation and/or perform study
 - Salt Pile - Eliminate or reduce, and if reduced, eliminate or reduce operational impacts
 - Parking - Continue to refine parking policies and try to achieve some type of consensus
 - Infrastructure - Address Williams Street in FY'05
 - Mary O'Malley Park - Work with State (DCR) on maintenance and security issues & help establish friends group
- Community Development
 - Chelsea Square - Convene a group to advance a cultural district concept
- Public Safety
 - Homeland Security - Engage State & Feds in local issues, most notably LNG, oil storage and Tobin Bridge
 - Beacon Street Off-Ramp - Advocate to Massport for continued focus and use City Police to aid in enforcement
 - Lower Broadway - Reduce speeding and accidents through enforcement
 - Produce Center Prostitution - Conduct additional specialized operations to deter and eliminate the problem
- Governmental Philosophy
 - Civic Participation - Extend Chelsea Participates! efforts and do additional outreach
